\*This is a course calendar DRAFT to aid students in planning for the program. It is subject to change.

-Webinar homework is due each week (generally takes 30 minutes to 1 hour to complete).

-Students source and work with a total of 6 dogs/clients: 3 project dogs, 2 behavior modification cases, and 1 client consultation.

-Students spend an estimated 5-8 hours working hands-on with project dogs and on behavior modification assignments **outside of class** per week. Expect additional travel time to and from clients' homes.
